

Spring Seasonal Considerations for SRA Survivors and Ministers

As spring approaches, SRA survivors may become anxious and potentially require more emotional and spiritual care over the next few weeks. This is due to a rise in occult activities associated with numerous upcoming occult holidays. In this article, we will explore suggested ministry activities and safety measures for your consideration.

Spring equinox is one of eight major occult holidays each year. Two equinoxes and two solstices mark the four seasons. Vernal equinox is another term for spring equinox, the time of year when the sun is exactly above the equator and both day and night are equal in length. This marks the beginning of the spring season, which generally falls on March 20th or 21st each year. This year, spring equinox falls on Thursday, March 20th in the Northern Hemisphere.

SRA survivors that have seasonal mind control programming may notice a system shift this time of year. Seasonal programming is very common. With spring, one can expect spring alter identities to be readily accessible. These parts of the heart will slip back into the system when summer solstice occurs in June, at which time summer alter identities will come forward. The shift will happen again in September with fall equinox and shift again in December for winter solstice. With each shift, alters trained specifically for the ritual holidays of that specific season may come forward and incline survivors to participate in rituals.

It is wisdom for churches, ministries, intercessors, and survivors to be intentional about prayer covering and safety measures during this season, which extends from spring equinox into the Easter holidays and continues through May Day.

In addition to seasonal shifts within the system, survivors often grapple with trauma memories as the anniversary dates for each occult holiday draw near. Issues may include an increase in body memories, (pain or discomfort in the body), as well as flashbacks, panic attacks and active triggers. Watch for signs of eating disorders, insomnia, and dissociation. It is important to make sure survivors do not lose time or become overly stressed. If this happens, it is important they reach out for prayer support.

I have found it most helpful to reassure every part inside that they do not have to participate in any of the upcoming occult activities and they can be safe during this time. Below are some suggestions to promote safety and healing.

- 1) Speak to the system and invite all the parts to meet Yeshua (Jesus Christ).
- 2) Let them all know He is the King of Kings and Lord over the entire system. Everyone is now a part of a new heavenly kingdom of God where people are not punished or hurt.
- 3) Ask the Holy Spirit to help close all internal access points.
- 4) Inform all system parts that no astral travel or ritual participation is allowed.
- 5) Ask the Holy Spirit to help disconnect all external sources of harm.
- 6) Ask the Holy Spirit to sequester occult active alters that are rebellious or uncooperative until deliverance and healing can take place.
- 7) Bring all who will receive Jesus as Lord into His holy presence for healing.
- 8) Break spiritual legal grounds with the spring gods and goddesses. (The Spiritual Legal Ground List can be found at <https://www.rgmconnect.com/resources.html>)
 - a. Ostara, Eostre, Baal, Nimrod, Bel, Innana, Queen of Heaven, Mary, etc.
- 9) Repent for all ritual participation on Spring Equinox, the full moon, Easter, and May Day.
- 10) Seasonal mind control programming should be broken with a trained minister.
- 11) Two safety plans could be discussed as follows:
 - a. How to prevent call backs, astral access and contact with unsafe people
 - b. Self-harm & suicide prevention: who to call, what steps to take if this is an issue.

Below is a list of dates to be aware of. Some are dates Christians consider holy, but for pagans, druids, wiccans, Satanists, Luciferians, and other occultists, these are dates when evil rituals are conducted to offer animal and human sacrifices to false gods. All over the world children are terribly abused on these dates. You can pray for their safety and the exposure of evil.

Isaiah 61:1-3 (The Passion Translation)

The mighty Spirit of Lord Yahweh is wrapped around me because Yahweh has anointed me, as a messenger to preach good news to the poor. He sent me to heal the wounds of the brokenhearted, to tell captives, "You are free," and to tell prisoners, "Be free from your darkness." I am sent to announce a new season of Yahweh's grace and a time of God's recompense on his enemies, to comfort all who are in sorrow, to strengthen those crushed by despair who mourn in Zion - to give them a beautiful bouquet in the place of ashes, the oil of bliss instead of tears, and the mantle of joyous praise instead of the spirit of heaviness.
