

A Mother's Prayer for Ritual Abuse Recovery & the Restoration of the Generations

By Kay Elise Tolman

Most High God, I come before you with each one of my precious children. Thank you for the gift of motherhood and for each life you have given me to steward. I ask you to deliver my children from every evil spirit that laid claim to them at conception and thereafter as the result of multigenerational ritual abuse, witchcraft, Freemasonry, paganism, and idolatry. I stand in the gap and revoke every generational claim to my progeny through the ritual dedication of my eggs, the seed, and my womb. I break every generational bargain, barter or transaction made on the trading floors of hell, which claimed my children, especially the firstborn, for evil purposes. I break these transactions under the Blood of Jesus Christ. I take my authority as their mother and dedicate each child of mine to the Lordship of Jesus Christ.

Most High God, I also want to acknowledge the horror and regret of each child lost in occult rituals. In my grief, I confess to you the loss of each pregnancy, each miscarriage, each abortion, and each pre-term birth that resulted in occult sacrifice, throughout my generations. I know these precious children are with you now in heaven. I am so grateful for your forgiveness toward me and my ancestors for each premature death. Thank you for your loving care for each cherished life, as I look forward to the day I can join them in eternity with you.

Most High God, I am so grateful you are not limited by time, but you can step into our timeline at any point to bring healing and restoration. I ask you to minister to each child of mine that suffered from trauma or rejection in the womb. I ask you to deliver my children from spirits of death, rejection, anxiety, and fear that may have entered in utero. I ask you to strip away every evil spirit, ancestor spirit, and fallen angel that was downloaded into my womb through occult rituals. And in exchange, I ask you to impart to my children their intrinsic value as a son or daughter of the Most High God. Give them a revelation of the destiny and calling you have individually placed upon their lives from the foundation of the world. Let them hear you calling them by name and may they respond with a softness of heart towards you.

On behalf of my children that are living, I stand in the gap to confess their sins against you Lord. Like Job I pray, if they have cursed you in their heart, forgive them Father for they know not what they do. Let them experience your presence Lord, come to them in their dreams, and let them hear your voice calling each prodigal home.

Your word says: *“The prey will be freed from the mighty warrior and captives will be rescued from a conqueror! For I will fight with those who fight with you, and I myself will save your children.”* (Isaiah 49:25) I will stand on this promise until it is fulfilled!

Most High God, I ask you to silence the voice of the accuser and help me embrace all the forgiveness and love you have for me today. I surrender to Yeshua all guilt and condemnation for each of my failings as a mother. Where generational cycles of abuse, abandonment, and neglect captured my children, I ask You, the Most High God to break these cycles for my children and all future generations. Usher in your goodness God, let Your presence bring miraculous healing and restoration, for the glory due Your name!

I am so grateful for the promises found in Your Word Jesus. Thank you for comforting all who sorrow and strengthening those crushed by despair. You give us beauty for ashes, the oil of bliss instead of tears, and the mantle of joyous praise instead of the spirit of heaviness. (Isaiah 61:2-3, TPT)

Most High God, I trust you to redeem and restore the ruins of many generations and rebuild the old waste places. I trust that you will release favor and blessing upon my children, and grandchildren for a thousand generations for those who love you.

With thanksgiving and praise I thank you for redemption, restoration and new life! Let the power of Pentecost release the Dunamis power to change every circumstance, for your glory! In the mighty name of Jesus Christ.

“I will pour refreshing water on the thirsty and streams on the dry ground. I will pour out my Spirit on your children, my blessing upon your descendants.” Isaiah 44:3 (TPT)
