Financial Considerations

In Luke Chapter 14 verses 28-31, Jesus encourages His disciples to count the cost of following Him. Indeed, salvation is a free gift but obedience and sacrifice are priceless offerings we give back to Him. As you consider applying for the Revelation Gateway's Minister's Advanced SRA Training Academy, you are encouraged to count the cost of this unique training and equipping program. In addition to the countless hours of homework and training exercises, as well as time away from loved ones, there is a financial cost. To follow is an outline of your expected investment, and a request for your signature to acknowledge the Academy's financial policies.

Financial Investment

- \$50 application fee if approved for a video interview.
- Tuition is \$480 per module, plus the cost of books and resources. Books and resources should be budgeted at least \$80 or more per module (this varies). These materials will become part of the minister's own resource library.
- Tuition may be paid as you go, from module to module. Since each module is five weeks, plus a one-week break, you can budget your tuition payment every six weeks. There is an exception for two of the deliverance modules. Module 6 is an 8-week curriculum at \$768 and Module 7 is 7 weeks in length at a cost of \$672.
- Tuition is due prior to the start of each module. Invoices will be sent after the last Learning Team meeting for each preceding module. Tuition is non-refundable.
- Full program tuition (16 modules) may be paid in advance for a 10% discount, if paid by check or EFT.
- A \$480 non-refundable deposit is required to begin the curriculum. This deposit will be applied to the Practicum Module at the completion of the program, assuming a student has paid tuition for all prior modules.
- Practicums are hands-on practice opportunities which will be made available at the completion of major training sections. These events are optional, but highly encouraged.

A practicum will be scheduled after the Inner Healing modules, the Deliverance modules and during the Deprogramming modules.

- After the completion of the 14th module, students will be required to attend a five-day, in-person, Practicum Module 15. This is a valuable hands-on training experience with the learning team. Practicum costs will involve travel, lodging, food, and transportation. Your deposit will be applied to this module tuition fee. There will also be a fee for graduation activities.

To earn the Minister's Advanced SRA Training Certification, completion and payment of all fifteen modules is required, with a passing grade. Grades are determined by points earned for attendance and participation in Learning Team meetings, as well as homework assignments submitted as required when due. See the Grading tab on each module syllabus for more details.

Returned checks will incur a \$50 service fee.

Late payments will incur a \$25 late fee.

Special arrangements may be made with the office if necessary, in advance of tuition due dates.

Thank you for your consideration. May the Lord bless the seed you sow in to the Academy for a bountiful Kingdom harvest of healing and restoration.
