

Is the Little Horn of Daniel Already Speaking? **By Kerry Dawn Hansher**

As a student in the Minister's Advanced SRA Training Academy at Revelation Gateway Ministries, Kay Tolman invited me to share my research paper.

My Learning Team is drawing closer to graduation and our weekly homework assignments have heightened in intensity. Last week's assignment was centered on our need to be alert and prepared to properly discern the times we are living in. We were tasked with weighing current world events and leadership councils against what the Bible has to say about the Beast, the False Prophet, and the Antichrist of the End Times. We also carefully evaluated key elements of Satanic Ritual Abuse and Mind Control programming and how they have actually served to better position the Global Elites in their preparations for a full implementation of the New World Order and the Antichrist/Beast System. By the end of the assignment, I came to understand that the little horn we read about in the Book of Daniel is already releasing his pompous words over the nations! I also discovered that Satanic Ritual Abuse and Mind Control programming represent purposeful preparations by the Global Elites for the implementation of the New World Order!

As I began my research, I felt prompted to pull out the book "THE ANTICHRIST and a Cup of Tea." I read the chapter entitled "The Footsteps of the AntiChrist" and I discovered that several comments Tim Cohen made regarding the feasibility of identifying the true AntiChrist of the end times really resonated with me. Below is an excerpt from this chapter:

The AntiChrist, when he takes up his role, will not be easy to spot. In fact, apart from the biblical criteria, he will be all but impossible to recognize. To most, he will not be an obviously evil man – at least not initially. Rather, he will live up to the dual meaning of the prefix, "anti," in his New Testament designation. He will be *against* the real Christ while at the same time setting himself *in His place*. To set himself in The Messiah's place, the Anti-Messiah must ultimately be able to convince the unregenerate world that he *is* the "Messiah" – for *all* peoples and *all* religions. As Satan's unorthodox parody of Christ, he will be a counterfeit "Christ," and his disciples and followers, therefore, whatever their religious persuasions, will be counterfeit "Christians." (Pg. 21)

The book of Daniel has several passages that make me think of the End of Days and reading these verses in the Message translation this time really helped me better grasp what the Antichrist and the Beast system might end up looking like in our day.

While the vision of Daniel recorded in Chapter 7 mentions 4 different beasts, it is the 4th beast that we need to pay close attention to. This Beast symbolizes the Antichrist/Beast System, with references to the False Prophet who will help to usher in the rule of the Antichrist at the End of Days also being included.

After that, a fourth animal appeared in my dream. This one was a grisly horror – hideous. It had huge iron teeth. It crunched and swallowed its victims. Anything left over, it trampled into the ground. It was different from the other animals – this one was a real monster. It had ten horns. As I was staring at the horns and trying to figure out what they meant, another horn

sprouted up, a little horn. Three of the original horns were pulled out to make room for it. There were human eyes in this little horn, and a big mouth speaking arrogantly. (Daniel 7:7-8 MSG)

I was curious about the fourth animal, the one so different from the others, the hideous monster with the iron teeth and the bronze claws, gulping down what it ripped to pieces and trampling the leftovers into the dirt. (Daniel 7:19-20 MSG)

The amount of artificial intelligence that has been implemented to “watch over” and “listen in” to our everyday conversations, activities, and private lives is hard to fathom. There are days that I am stunned by the depravity and wickedness surrounding this Beast system and the globalist agenda to either eliminate most of the population or “hook us up” to a global brain network so we can become more useful than we are as plain human beings. Every time I hear Yuval Noah Harari say we can become like gods I feel sick!

These verses at the end of Daniel Chapter 9 make me think of the Antichrist/New World Order system that the Globalists, the World Economic Forum, and the Vatican/Catholic church have ALREADY BEGUN to implement. My sense is that there will come a day where there will be zero-tolerance for non-compliance and those who will not submit to this Beast system will be rooted out, overtaken, and crushed if God does not intervene.

After the sixty-two sevens, the Anointed Leader will be killed – the end of him. The city and Sanctuary will be laid in ruins by the army of the newly arriving leader. The end will come in a rush, like a flood. War will rage right up to the end, desolation the order of the day. Then for one seven, he will forge many and strong alliances, but halfway through the seven he will banish worship and prayers. At the place of worship, a desecrating obscenity will be set up and remain until finally the desecrator himself is decisively destroyed. (Daniel 9:26-27 MSG)

The book of Revelation also mentions several beasts. These beasts are empowered by Satan and from my perspective, also represent the Antichrist/Beast system of the End Times as their characteristics are similar to the Beast with iron teeth and ten horns that we read about in Daniel 7.

Then I saw a wild beast rising from the sea with ten horns and seven heads. On its horns were ten royal crowns, and on its heads were blasphemous names. It was like a leopard with feet like a bear’s, and its mouth like the mouth of a lion. The dragon shared his power, throne, and great authority with the wild beast. (Rev 13:1-2 TPT)

So they worshiped the dragon (identified as Satan/Devil in Rev 12:9) who gave authority to the beast, and they worshiped the beast, saying “Who is like the beast? Who is able to make war with him?” And he was given a mouth speaking great things and blasphemies and he was given authority to continue for forty-two months. Then he opened his mouth in blasphemy against God, to blaspheme His name, His tabernacle, and those who dwell in heaven. It was granted to him to make war with the saints and to overcome them. And authority was given him over every tribe, tongue, and nation. All who dwell on the earth will worship him, whose names have not been written in the Book of Life of the Lamb slain from the foundation of the world. (Rev 13.4-8 NKJV)

While the below verses from Revelation 13 refer to a 2nd Beast arising, it seems to me that this may actually be an introduction and description of the False Prophet who will partner with the Antichrist in the End Times.

I saw another Beast rising out of the ground. It had two horns like a lamb but sounded like a dragon when it spoke. It was a puppet of the first Beast, made earth and everyone in it worship the first Beast, which had been healed of its deathblow. This second Beast worked magical signs, dazzling people by making fire come down from Heaven. It used the magic it got from the Beast to dupe earth dwellers, getting them to make an image of the Beast that received the deathblow and lived. It was able to animate the image of the Beast so that it talked, and then arrange that anyone not worshiping the Beast would be killed. It forced all people, small and great, rich and poor, free and slave, to have a mark on the right hand or forehead. Without the mark of the name of the Beast or the number of its name, it was impossible to buy or sell anything. Solve a riddle: Put your heads together and figure out the meaning of the number of the Beast. It's a human number: 666. (Rev 13:11-18 MSG)

When thinking about the potential False Prophet of the End Times, I considered the likes of Yuval Noah Harari, Klaus Schwab, Anthony Fauci, Bill Gates, and others who we see consistently operating in great levels of arrogance, deception, and godlessness. Each of these individuals have been given a “voice of authority” and unusual control over the nations of the world in a way that is difficult not to be concerned about. The lies they spew into the atmosphere over us, the generations to come, and the future, have already created significant chaos, fear, turmoil, curse, and death! Furthermore, I feel like they are always “watching” to find new opportunities to “lure individuals in” to their wicked schemes, while at the same time constantly searching for ways to “track” and “punish” those who refuse to comply with their ungodly executive orders and plans for the “Great Reset.”

Out of all these individuals I’ve mentioned, it is Yuval Noah Harari that I believe is the most likely candidate to serve as the False Prophet of the End Times, partnering with the Antichrist, to fully implement the New World Order. I googled him while working on my homework and found an article about him with this headline: **“Meet Yuval Noah Harari, the prophet of the world’s ruling class – what he thinks and what he believes is coming.”** If you look at the website link to this article I found, you will notice it even has the word “Messiah” in it! This is quite unsettling to me!

<https://www.riotimesonline.com/brazil-news/modern-day-censorship/meet-yuval-noah-harari-the-messiah-of-the-worlds-ruling-class-what-he-thinks-and-what-he-believes-is-coming/>

These two Scriptures from Daniel remind me of Yuval Noah Harari because his words are pompous, arrogant, and full of humanistic philosophies and godlessness, just like the little horn that taunts the people of the earth in Daniel’s visions.

And I wanted to know about the ten horns on its head and the other horn that sprouted up while three of the original horns were removed. This new horn had eyes and a big mouth and spoke arrogantly, dominating the other horns. I watched as this horn was making war on God’s holy people and getting the best of them. But then The Old One intervened and decided

things in favor of the people of the High God. In the end God's holy people took over the kingdom. (Daniel 7:21-22 MSG)

Then he will blaspheme the High God, persecute the followers of the High God, and try to get rid of sacred worship and moral practice. God's holy people will be persecuted by him for a time, two times, half a time. But when the court comes to order, the horn will be stripped of its power and totally destroyed. Then the royal rule and the authority and the glory of all the kingdoms under heaven will be handed over to the people of the High God. Their royal rule will last forever. All other rules will serve and obey them. (Daniel 7:25-27 MSG)

The first Beast we read about in Revelation 13 is mentioned again in Revelation 17. However, this time, the "Great Harlot" is sitting on the Beast and the Beast is blood red, perhaps because of its association with the red dragon (Satan). We read in this chapter that this Beast will actually partner with the Antichrist to destroy the "Great Harlot" – "a city" - that is actually a representation of the ancient, immoral city of Babylon.

Then the angel carried me away in the Spirit into a wilderness, and I saw a woman sitting on a wild, bloodred beast with seven heads and ten horns, and it was covered with blasphemous names. The woman was robed in purple and scarlet and was glittering with gold, precious stones, and pearls. She was holding in her hand a golden chalice brimming full with defiling obscenities and the filth of her lewdness. On her forehead was written these mysterious titles "The great Babylon, mother of prostitutes and of the abominations of the earth" I saw the woman was drunk with the blood of God's holy believers – drunk on the blood of the loyal martyrs of Jesus. And when I saw her, I was utterly astonished! (Rev 17:3-6 TPT)

The ten horns that you saw represent ten kings who have not yet received a kingdom, but they and the wild beast are destined to receive authority as kings for a short reign of one hour. They are united in yielding their power and authority to the wild beast. They will wage war against the Lamb, but the Lamb will conquer them, for he is Lord of lords and King of kings! Those who are with him will also conquer them, and they are called 'chosen ones' and 'faithful ones.' (Rev 12-14 TPT)

The Angel continued, "The waters you saw on which the Whore was enthroned are peoples and crowds, nations and languages. And the ten horns you saw, together with the Beast, will turn on the Whore – they'll hate her, violate her, strip her naked, rip her apart with their teeth, then set fire to her. It was God who put the idea in their heads to turn over their rule to the Beast until the words of God are completed. The woman you saw is the great city, tyrannizing the kings of the earth." (Rev 17:15-18 MSG)

When reading about the judgment that will come to the Great Harlot according to Revelation 17, I was reminded again of the "consortium" of nations that is partnering together, along with the Global Elites, to usher in the New World Order (Antichrist system). These harlot behaviors are symbolically able to be applied to the Vatican/Catholicism where they are leading millions to commit idolatry and adultery with the Lord through this false religious system and the push for a one world religion. The mixture of lies, religious rituals, and liberalist agendas with the "gospel" about Jesus and his mother Mary are an abomination to the Lord. I would imagine that the Lord will judge the institutions who proselytize the

world through the use of deception, manipulation, control, and even intimidation, leading individuals to hell instead of heaven.

Then one of the seven angels who had the seven bowls came and talked with me, saying to me, "Come, I will show you the judgment of the great harlot who sits on many waters, with whom the kings of the earth committed fornication, and the inhabitants of the earth were made drunk with the wine of her fornication." (Revelation 17:1-2 NKJV)

Could it be that the Great Harlot mentioned in Revelation 17 is actually the Vatican, and the fornication being referred to has something to do with the Vatican serving as the False Prophet who proselytizes worship and submission to the Antichrist, the Beast and Satan? I am not sure I know of another religious system that has partnered more with the enemies of God and the Antichrist spirit than the Vatican. If we look back to World War II, we are reminded that the Vatican stood silent and actionless while millions of individuals were exterminated because they belonged to an inferior race of mankind, or they simply got in Adolf Hitler's way. Adolf Hitler was operating in the same Antichrist spirit that we read about in Daniel and Revelation.

The Antichrist spirit has been operating in the world for thousands of years, and many individuals who operate in this spirit have already come and gone, just like Hitler. The presence of the Antichrist spirit in our midst is one of the indicators that we are living in the last days. To discern the presence of this spirit, we need only pay attention to the words, actions, enacted laws, and belief systems of individuals and nations. Any legislation, religious doctrines, or behavioral norms that are rooted in the denial that Jesus is the Christ, the Son of a Holy Righteous God, are anti-Christ or anti-God! Yet we must not lose heart!

When we "skip to the end" of the BOOK, we find a happier ending to this war story between the People of God and the Beast, False Prophet and Antichrist! **GOD INTERVENES & BECAUSE GOD WINS, WE WIN!**

Then I saw Heaven open wide – and oh! A white horse and its Rider. The Rider, named Faithful and True, judges and makes war in pure righteousness ... He is dressed in a robe soaked with blood, and he is addressed as "Word of God." The armies of Heaven, mounted on white horses and dressed in dazzling white linen, follow him. A sharp sword comes out of his mouth so he can subdue the nations, then rule them with a rod of iron. (Revelation 19:11-14 MSG)

I saw the Beast and, assembled with him, earth's kings and their armies, ready to make war against the One on the horse and his army. The Beast was taken, and with him, his puppet, the False Prophet, who used signs to dazzle and deceive those who had taken the mark of the Beast and worshiped his image. They were thrown alive, those two, into Lake Fire and Brimstone. The rest were killed by the sword of the One on the horse, the sword that comes from his mouth. (Revelation 19:19-21 MSG)

I saw an Angel descending out of Heaven. He carried the key to the Abyss and a chain – a huge chain. He grabbed the Dragon, that old Snake – the very Devil, Satan himself! – chained him up for a thousand years, dumped him into the Abyss, slammed it shut and sealed it tight. No more trouble out of him, deceiving the nations – until the thousand years are up. After that he has to

be let loose briefly ... When the thousand years are up, Satan will be let loose from his cell, and will launch again his old work of deceiving the nations ... They'll stream across the earth, surround and lay siege to the camp of God's holy people, the Beloved City. They'll no sooner get there than fire will pour out of Heaven and burn them up. The Devil who deceived them will be hurled into Lake Fire and Brimstone, joining the Beast and False Prophet, the three in torment around the clock for ages without end. (Revelation 20:1-3, 7, 9-10 MSG)
