

Origins, the Lie from the Beginning

By Kay Tolman 3/12/21

Recently the Holy Spirit led me to a video by Kris Vallotton titled "[Spirit Wars](#)". His teaching on the principality named Origin, brought me some fresh revelation. First let us look at some of the ways Origins has impacted our culture and belief systems today, then I will share how this applies to SRA survivors through my personal testimony of healing.

The spirit Origin moved powerfully to change the narrative of man's origin from the story of Creation to the teaching of evolution. This spirit influenced the abortion debate by changing the definition of a human baby to just "tissue." It also introduced the belief that people are born homosexual, although science has never been able to prove it.

The first place in the Holy Bible where we can identify the spirit of Origins was in the Garden of Eden, when the serpent convinced Eve she would not die if she rebelled against God.

Origins are important, so important that the scriptures are careful to list the genealogy (origins) of the Messiah in Matthew Chapter 1 and Luke Chapter 3.

Genetics as a point of origin, have been the subject of much scientific research from DNA encoding and manipulation to cloning. Again, we see the lie of Origins in the concepts of eugenics and racial hygiene espoused by the Nazi party in the mid-1930s. The Holocaust Encyclopedia notes that Joseph Mengele, known as Dr. Death at Auschwitz during WWII, had a doctoral degree in genetic medicine.¹

The enemy manipulation of DNA did not begin with Nazism, it began back in Genesis 6:4 with the Nephilim. In occultism, the concentration of Nephilim DNA in a bloodline equates to evil spiritual power. For centuries, there has been a deliberate attempt to infuse this evil into the generational lines. Precisely for this reason God brought the flood in Genesis 6.

In Luke 17:26, Jesus said, "And as it was in the days of Noah, so it will be also in the days of the Son of Man..."

Not only has the enemy attempted to manipulate and defile bloodlines, but he also convinced many SRA survivors that he was their creator. From the point of conception, the enemy has claimed the lives of multigenerational ritual abuse survivors through bloodline dedications. This horror can impact understanding of one's true identity and can be a hidden source of demonic generational captivity.

Diane Hawkins of Restoration In Christ Ministries (rcm-usa.org) has a powerful prayer for [breaking conception rituals](#). Last year during the COVID lockdown, I took the time to go back to my conception in prayer with the Holy Spirit.

First the Holy Spirit reminded me of how I was created by my Heavenly Father in the palm of His hand, before the foundation of the world (Ephesians 1:4). This was a beautiful experience of His love and grace while He spoke over me.

But when the Father released me into my mother's womb, I experienced my first trauma at conception. The forces of hell claimed my tiny soul at that very moment. I felt abandoned by my Heavenly Father and terrorized by the forces of hell.

The spirit of Origins had convinced me that he had created me through genetic manipulation in a petri dish, with DNA from the most powerful Illuminati bloodlines. Therefore, he was my father and I belonged to him. This lie was the foundation for the occult identities in my dissociated system.

But God... Now the Lord is the Spirit; and where the Spirit of the Lord *is*, there *is* liberty. (2 Corinthians 3:17 NKJV)

Satan may be able to facilitate physical conception in a petri dish, but he is NOT the Father of the human spirit. He can not breathe life into dust as did the Creator of the Universe. Once this truth permeated my being, integration transpired.

I walked through the prayer to break the conception rituals and broke the dedications and sacrifices of my bloodlines to evil, all the way back to Adam and Eve. I renounced the lies and embraced the truth, to discover a deep and lasting healing.

The work of restoration from multigenerational satanism can seem daunting, but it is worth it! I encourage survivors to courageously allow the Spirit of God to take you back to the point of origin and restore your true identity and liberty in Christ!

“And because you are sons, God has sent forth the Spirit of His Son into your hearts, crying out, “Abba, Father!” (Galatians 4:6 - NKJV)
