## **Minister's DID Consortium – Meeting Participation Guidelines**

To facilitate effective communication in our monthly meetings, adherence to the following guidelines is required. Together we gain strength and encouragement from each other and the LORD. In the spirit of teamwork, guidelines are helpful to keep the group a safe place for all participants.

- 1) Confidentiality.** All personal feelings and experiences shared within the group are confidential. Nothing said in the group by or about someone else will be repeated outside the group.
- 2) Participation is voluntary.**
- 3) Exercise good listening skills.** Don't interrupt or talk over someone else. If you are not sure if someone is finished speaking, just ask them if they are finished.
- 4) Please do not attempt to "fix" others or give unsolicited advice.** Although it is tempting to try to solve other people's problems, please restrain yourself. The most helpful thing you can do for another is to really hear their heart and express your care and concern.
- 5) No foul language is permitted.**
- 6) Encourage one another.** Please no shaming, criticism, or judgment.
- 7) If disagreements arise, please remain respectful.**
