

Renunciation Prayer for Deliverance from Shriners International

A Masonic society established in 1870, aka...

The Ancient Arabic Order of Nobles of the Mystic Shrine (AAONMS)

Recommended Pre-work

It is strongly recommended that renunciations for the Blue Lodge Degrees, Scottish Rite and/or York Rite Degrees of Freemasonry be completed before commencing this work. Suggested resources can be found at the bottom of the last page of this document.

Set-Up Prayer

Heavenly Father, we humbly bow before you as the Sovereign King of the Universe and ask your divine blessing upon this time of deliverance ministry. We invite the Holy Spirit to lead, guide and direct this time together in the precious name of our Savior and King, Jesus Christ. We acknowledge Jesus Christ of Nazareth as the Deliverer, the Healer, and the Wonderful Counselor. Please give us eyes of discernment and revelation. Please give us ears to hear Your instructions.

In the name of Jesus Christ, we forbid any evil watchers, evil spirits, or human astral projected entities to enter this place. We forbid any evil spirits to hinder the work of the Holy Spirit in any way. There will be one-way traffic for evil entities, out through the windows to the feet of Jesus Christ. You will go where He sends you.

Now in the name and authority of Jesus Christ and by the power of His shed blood, we cut all ungodly ley lines in this location and close all avenues of communication to occult workers, witch's covens, Masonic lodges, the Illuminati, and all Luciferian and Satanic sources.

In the name of Jesus Christ, these are the instructions for every evil spirit: You will be in obedience to every command given. You are forbidden to hide resist or delay. You may not draw strength or power from the inside or the outside. You are forbidden to cause harm or violence in any way. You will release every person in the bloodline, bind tightly together with every demon that came in with you, and evacuate immediately by the power and authority of the shed blood of Jesus Christ.

Stand-in-the-Gap Prayer

I now stand in the gap on behalf of my ancestors, my family members, myself, and every part of my heart. I confess and repent for all participation in the secret rituals of the Ancient Arabic Order of Nobles of the Mystic Shrine, here forward acknowledged as “Shriners.”

Heavenly Father, I specifically forgive _____ for participation in the Shriners Fraternal Order and the effects this evil has had on me and my family and all my generations. I renounce and reject every evil associated with it.

Renunciation Prayers

Membership

In the name and authority of Jesus Christ of Nazareth, I renounce and repent for all witchcraft, Wicca, Druidism, Rosicrucianism, Luciferianism, Satanism and Freemasonry in my generational lines. I also repent for the worship of Allah associated with Shriners and Islamic beliefs.

In the name of Jesus Christ, I renounce the requirements to join Shriners:

- Before the year 2000 - completion of 32 degrees of Ancient and Accepted Scottish Rite Freemasonry, or completion of the Knights Templar degree of the York Rites of Freemasonry
- After the year 2000 - Master Mason degree or higher
- Be a Mason in good standing.

In Jesus name, I confess and repent for signing and submitting the application for membership into Shriners. Lord Jesus, I surrender the application and all certificates of membership in the Ancient Arabic Order of Nobles of the Mystic Shrine to you for destruction, both in heaven and on earth. I ask that these documents be deemed null and void, in Jesus’ name.

(If possible, submit a letter to the organization for formal withdrawal.)

I hereby renounce all membership in the Ancient Arabic Order of Nobles of the Mystic Shrine.

In the name of Jesus Christ, I cut all soul-ties, trauma-ties, and membership-ties to all Shriners organizations and members.

I also repent for walking on unholy ground in temples and lodges of Freemasonry.

Stated purposes of Shriners

I renounce the stated purposes of the Shriners fraternity:

- 1) To be an ally to Freemasonry (Luciferianism)

- 2) Improvement of the mind
- 3) The practice of charity (Charity is used as a PR campaign to hide pedophilia.)
- 4) The promotion of religious toleration among people of all nations, but especially the Christian Religion in the United States. (*“And what accord has Christ with Belial? Or what part has a believer with an unbeliever?” - 2 Corinthians 6:15*)

Financial Support of Shriners

I renounce and repent for the payment of membership dues and fees to the Ancient Arabic Order of Nobles of the Mystic Shrine, or as they are currently known, Shriners International.

I repent for the purchase of hats, gloves, books, and other paraphernalia in support of Shriners.

I repent for supporting Shriner charities.

Heavenly Father, I ask that you redeem all money given to this occult organization and its activities. Please cleanse my family finances with the redeeming blood of Jesus Christ.

The Imperial Grand Council

In the name of Jesus Christ, I renounce the authority of the Imperial Grand Council of the Mystic Shrine, which is the highest source of authority of the Order. I revoke its exclusive control over me.

In the name of Jesus Christ, I renounce and reject the title, offices, mantles, and authority of the officers of the Imperial Grand Council, namely the following:

Imperial Potentate and Imperial Deputy Potentate

Imperial Chief Rabban and Imperial Asst. Rabban

Imperial High Priest and Prophet

Imperial Oriental Guide and Imperial Treasurer

Imperial Corr. Recorder, First, Second, and Third Asst. Imperial Recorder, Imperial Recorder, and Imperial Deputy Recorder

First and Second Medical Director

Imperial Marshal and First Asst. Imperial Marshal

Imperial Second Asst. Guard and Imperial Outer Guard

Board of Directors of Eleven

Enthronement of Potentate Elect

In the name of Jesus Christ, I renounce and break these vows of enthronement for the Potentate-elect, under the precious blood of Jesus.

Do you solemnly vow, upon your honor, that you will:

1. Exert your best endeavors to promote the true happiness of your brother Nobles of the Mystic Shrine?
2. Endeavor to promote the general good of the Order, and preserve the solemnity of our ceremonies with profound respect and reverence?
3. Not acknowledge or have intercourse with any Temple which does not work under the constitutional authority, as recognized by the Imperial Grand Council?
4. Forever maintain and support the authority of the Imperial Grand Council of the United States and enforce obedience to its statutes, edicts, and regulations?
5. Submit to all these ordinances and promise to observe and practice them faithfully?

I break the authority of the words of the above five vows, and all agreement with them, under the blood of Jesus Christ.

I also renounce the gavel, scepter and authority of the Office of Potentate.

Initiation Rites

I renounce and repent for representing the Sons of the Desert seeking admission to the Order.

I renounce the ordeal of the sacred ballot and the determination of candidate worthiness.

I renounce the position of the Most Noble Guide to stand forth as a ransom for candidates.

I renounce and break the vow made to the priest expressing a willingness to jeopardize my life, if need be, to punish the guilty and protect the innocent, and labor in the cause of justice, truth, and common humanity. I declare that vow null and void under the blood of Jesus Christ.

I renounce the desire to unite with the Mystic Shrine in inseparable bonds. I declare those bonds are now broken by the power of the shed blood of Jesus Christ, and I am set free.

I renounce and break the power of the following words under the blood of Jesus:

By the existence of Allah and the creed of Mohammed, by the legendary sanctity of our Tabernacle at Mecca, we greet you. And in commemoration of the Arab's faith in purity and innocence, we accept your answers as sincere, and you will now be permitted to proceed in the rites and ceremonies of the Mystic Shrine.

I renounce and break the power of the following words spoken by the Grand Potentate under the blood of Jesus:

Who is he who hath conversed in person with the Supreme and maketh himself mightiest of His? Mohammed, the Prophet of the Arab's creed.

To whom shall be meted out the boiling waters to drink, that they shall burst their bowels and shall be cast into molten lava to be consumed? The infidels who wait until the last hour of justice.

Before advancing further in our course you will be required to assume a most powerful and binding oath, inseparably uniting yourselves with us. And when once taken it can never be retracted or departed from.

I renounce and break the power of the following words spoken by the Priest under the blood of Jesus:

There are Moslems among us: there are others who swerve from propriety; but who so seeketh Islam earnestly, seeks true direction, but those who swerve from truth and justice shall merit and reap abundance of chastisement.

I break the above curse under the blood of Jesus Christ and declare it of no further effect on me and my family.

I renounce and repent for kneeling at a Luciferian altar with head bowed and arms bound to take the following oath upon the Bible and the Koran.

The Oath of Obligation

In the name of Jesus Christ and under the power of His shed blood, I renounce and break the words of the following oath:

I ____ of my voluntary desire, uninfluenced, and of my own free will and accord, do here assume, without reserve, the obligation of the Nobility of the Mystic Shrine, as did

the elect of the Temple of Mecca, the Moslem and the Mohammedan, I do here, upon this Holy Bible and calling upon these Nobles of the Mystic Shrine as witnesses, upon this sacred book, most solemnly and sincerely swear that I will keep secret whatever may transpire during my initiation.

In the name of Jesus Christ and under the power of His shed blood, I renounce and break the words of the following oath:

I further promise and vow, that I will never reveal any secret part or portion whatsoever of the ceremonies I have already received or that which is about to be communicated to me, or that I may hereafter be instructed in, to any person in the whole world, except he be a well-known member of the Order of Nobles of the Mystic Shrine, and I knowing to an absolute certainty that he or they may be truly and lawfully such, and of good standing with such Nobility, and that I will not be present at, aid or countenance the conferring of the Order of the Mystic Shrine upon any person who is not a Masonic Knights Templar or a 32nd degree Ancient and Accepted Scottish Rite Mason, in good and regular standing.

In the name of Jesus Christ and under the power of His shed blood, I renounce and break the words of the following oath:

I further promise and vow that I will, under every circumstance, remain loyal and true to the best interests of this noble fraternity of the A.A.O. of N. of the Mystic Shrine, and that I will, to the best of my ability labor to advance and promote its noble work, and never betray the trust that has been reposed in me. Furthermore, I do here register a sacred vow, promising that should I live to become a member, I will impartially cast a black ballot without fear or favor, against friend or foe applying for membership in the Nobility of the Mystic Shrine, whom I believe to be disgraced, dishonored, a thief, a perjurer, a murderer, a lunatic, an idiot, or a criminal.

In the name of Jesus Christ and under the power of His shed blood, I renounce and break the words of the following oath:

I further promise and swear that I will respect and obey the laws and submit to the decrees of the Imperial Grand Council of the Mystic Shrine of North and South America, and that I will not consult, counsel, aid or assist, or take part in any controversy, nor recognize or be present in any other body of the Nobles of the Mystic Shrine that is not holding their warrant of authority from the Imperial Grand Council of North and South America.

In the name of Jesus Christ and under the power of His shed blood, I renounce and break the words of the following oath:

I further promise and vow that I will not willfully write, cut, speak, or portray any detail, which might be construed into even a clue to the same, except for official Temple work.

I furthermore promise and vow that to the full measure of my ability I will never swerve from justice or duty; that I will respect virtue, protect the innocent, assist the distressed, promote the inculcation of honor and integrity, and dispense reasonable charity; that I will protect and defend the unsullied honor of any Noble of the Mystic Shrine, when absent, if assailed. And now upon this sacred book, by the sincerity of my oath as a Shriner, I here register this, my irrevocable vow, subscribing myself bound thereto, as well as binding myself by the obligations of the prerequisite to this membership, that of a Knights Templar or that of a 32nd Degree Ancient and Accepted Scottish Rite Mason. In wilful violation whereof, may I incur the fearful penalty of having my eyeballs pierced to the center with a three-edged blade, and my feet flayed, and I be forced to wade the sands upon the sterile shores of the Red Sea until the flaming sun shall strike me with livid plague; if I ever violate, willfully, this my obligation of a member of the Order of the Noble Shrine, may I be taken to the gallows and there hung by the neck until I am dead, dead, dead.

In the name of Jesus Christ, I revoke this curse of plague and death. I break it off me, my children, and all future generations. I speak life, life, life, over me and my family to a thousand generations!

In the name of Jesus Christ and under the power of His shed blood, I renounce and break the words of the following oath:

I do further promise that I will, in and out of this Temple, conduct myself in a manner as to add dignity and honor to this institution and reflect credit upon myself, and I will obey the usages and regulations of the Order, and the constitution and by-laws of this or any other Temple of which I may hereafter become a member. This, my solemn obligation, I do now most sincerely and heartily approve and adopt, and with a full understanding of the same, and promising to keep and observe the same during my natural life, truly, faithfully, and honestly, with the help of God.

May each word of this obligation be broken now under the blood of Jesus Christ, and have no more power or authority over me, my children, or future generations in Jesus' name.

Further Initiation Rites

I renounce and repent for kissing the Sacred Book, the Bible, three times and the release of the hand bindings at the completion of the Obligation.

I renounce and reject the cleansing ritual, and the songs in Jesus Name.

I renounce the sign of salutation before the altar and the words "salaam" as a sign of obedience.

I renounce the annual secret password, the inner secret pass, the distress word, and the grip of the Noble.

I renounce and break the power of electric shocks to the feet that represent burning sands, and/or the walking on hot coals in the rituals.

Final Test of Moslem Fidelity, Nerve and Courage

I renounce the portrayal of the betrayal by a friend and the consequence of death. I break this prophetic act off me and my generations in Jesus' name. I break the curse of the betrayal of a friend and command the spirit of betrayal to evacuate immediately.

I renounce the disguised members prepared to portray execution by hanging.

I renounce the headsman's block and the headsman prepared to execute the candidate.

I renounce the fake head on the floor and the bowl for the ceremonies of bleeding.

I renounce the sound of the gong and the organ music.

I renounce and repent for all participation in the hazing of the initiate to "persecute and test candidates as much as they will stand."

I renounce and reject the "Council of Inquisition."

I renounce and break the power of the word "Nemesis" off me and my generations, in Jesus' name.

I renounce and break the power of the declaration of "spy" and "traitor" off me and my generations in Jesus' name.

I renounce and break the declaration by the Potentate to execute the initiate, in Jesus' name.

I renounce the charade with the woman, the baring of her breast and the threat to cut her with a crescent shaped injury. I renounce the wine used to represent her blood.

I break the power of the following declaration by the Priest under the blood of Jesus:

"Most Noble Council of the Inquisition, now, in testimony of the justice of our cause, let us, in this maiden's blood seal the alliance of our bond of secrecy and silence. And let this day's bloody work in the deepest recesses of every Noble's heart be buried."

I renounce and break the power of the prophetic act to hang the initiate for treason.

I revoke the enactment of the stripping of the initiate's clothing and the blindfolding of the initiate. I revoke the enactment of the placing of the initiate's head on the block for beheading. I renounce the striking of the neck and the placement of the initiate into a coffin.

I renounce the prophetic act of the candidates kneeling before an open coffin containing a skeleton, representing a dead traitor to the Order.

In the name of Jesus Christ, I break the power of the trauma and terror of this ritual, along with any agreement with death, under the blood of Jesus. Lord release healing and restoration in Jesus' name.

Repent for Participation

In the name of Jesus Christ, I renounce and repent for all participation in hazing rituals, mock hangings, mock beheadings, and mock executions.

I renounce and repent for any child sex trafficking, prostitution, sodomy or other sexual sins performed behind the vows of Shriners secrecy.

Lord Jesus, I ask you to cleanse my conscience for having witnessed these evil activities and/or participation in them. I repent for my willingness to keep vows of secrecy and silence regarding illicit activities.

The Shriners Traveling Card

In the name of Jesus Christ, I renounce and break the power of the following statement on the Shriners Traveling Card:

“In the name of Allah, merciful and compassionate. I desire to visit a temple or shrine in many cities. He is a good man, patient, cultural of sterling worth. There is no conqueror but Allah. Authorized by the Imperial Council Ancient Arabic Order Lodges of the Mystic Shrine. Witness the deputy and representative of temples in the East. Mohammed traveled from Mecca in the South to the North in Medina. Please Allah, we shall travel everywhere in safety. Small things influence great. Do not travel in the heat of the day. Travel with your eyes and ears open. By the grace of Allah, we have found repentance. Politeness is small solver. Action is power. Everything is from Allah. There is no deity but Allah.”

I break these words under the blood of Jesus Christ and declare them null and void.

Islamic vs. Christian Beliefs

I believe that God established His covenant with Isaac, Abraham's legitimate son, and not with Ishmael, the son of the bond woman. (Genesis 17:19)

I declare there is only one way to the Father, and that is through His son, Jesus Christ.
“Jesus said to him, “I am the [only] Way [to God] and the [real] Truth and the [real] Life; no one comes to the Father but through Me.” – John 14:6 Amplified Bible.

Renounce Islam

In the name of Jesus Christ, I renounce the Islamic religion as part of the Shriners fraternity.

I renounce the lie that the Koran is superior to the Holy Bible.

I renounce the lie that the prophet Mohammed was the greatest and only true prophet of God.

I renounce the lie that Islam is the final revelation of God.

I renounce the false god Allah and repent for the worship of Allah in association with Shriners.

Break the Spiritual Legal Ground Associated with the Worship of Allah and Mohammed

In the name of Jesus Christ and by the power of His shed blood, I renounce and break the following spiritual legal ground with Allah and Mohammed:

- Every promise, agreement, and quid pro quo exchange
- Each contract, oath, and vow
- Every covenant: blood covenant, eternal covenant, and marriage covenant
- All blood pacts and blood covenants
- All unholy communion, taken to honor Allah
- All dedications of me and/or my family lines to Allah
- All ungodly baptisms in urine, water, fire, or blood
- All reverence, offerings and worship given to Allah and Mohammed
- All human and animal sacrifices given to Allah and Mohammed

Public Relations Campaigns

In the name of Jesus Christ, I confess, renounce, and repent for all participation in the public relations campaigns that promote the Shriners Order, including all participation in parades and local events as clowns and pranksters.

Shriners Hospitals

I revoke all rights presumed over me, my family and/or my children through the documentation signed for medical treatments in Shriners Hospitals.

In the name of Jesus Christ and by the power of His shed blood, I renounce and break:

- All secret adoption ceremonies by the Freemasons and/or Shriners
- All ownership rights to my family and/or children
- All authority to perform medical treatment

The Fez Hat

One of the most distinguishable features of the Shriners fraternity is the Fez hat. A blood red cap that is known as the headdress of Muslims. It is named after the city Fez in Morocco, known for numerous massacres of both Christians and Jews by Muslim conquerors. Some believe the Muslims dipped their hat in the blood of Christians running through the streets to celebrate their death.

Sometimes the name of the Temple that the Shriner is associated with is written on the front of the hat. A Muslim scimitar, the curved sword of war that “killed the infidels”, is prominently featured. Note also, the fez has the shape of a crescent which has become a universal symbol for Islam. The sphinx represents the governing body of the Shriners but is also known as the “Father of Terror.” Finally, the five-pointed star represents Sirius, the dog star, featured in occultism as a pentagram.

In the name of Jesus Christ, I renounce the Shriners Fez and all it represents. I remove this evil from my “crown” in the spirit. I declare Jesus Christ is my only crown.

Shriners Garments and Costumes

White Domino (Sheet type garment, like those worn by the KKK) and white masks

White gloves and handcuffs

Turbans, Fez and Miter (worn by the Priest)

Sash, collars, and robes (in various colors)
 Jewels of office
 Slippers
 Crozier, staff, or spear
 Clown costumes

In the name of Jesus Christ, I renounce and remove all the Shriners garments, costumes, and hats in the spirit. I bind every devil associated with them and cast them to the feet of Jesus.

The removal of an individual's clothing is symbolic of the stripping of one's identity.

In the initiation rituals, the candidate exchanges his shoes for slippers. A slipper represents one who is ready for sleep. The candidate is no longer sure footed.

The candidate is also divested of his coat and vest, representing the removal of protective coverings.

Reclaim Identity in Christ

In the name of Jesus Christ, I remove the garments of the Shriners Order and reclaim my identity in Jesus Christ. I put on the full armor of God (Ephesians 6:10-17).

Closing Prayer

In the name of Jesus Christ, I command every devil that heard its name, lost legal ground, or has been renounced, to evacuate immediately. You are commanded to leave me, my bloodline, my children, and all future generations. In Jesus mighty name.

I forbid any backlash, retaliation, retribution, or judgment to come against me, my ministry, my loved ones, my finances, and all that concerns me. I declare the divine protection of God covers us all.

I release the healing balm of Gilead and Psalm 91 protection over me and my family to a thousand generations, in Jesus' name.

US Presidents that were Shriners

Presidents: Warren Harding, Franklin D. Roosevelt, Harry S. Truman, and Gerald Ford

I stand in the gap and confess, renounce, and repent for the Presidential leadership of the United States of America that engaged in this Luciferian activity. Lord, please forgive this sin and heal our land (2 Chronicles 7:14).
